

9,4 RODELLAR

Ref: C401940080

The Rodellar

The Rodellar is undoubtedly the sport climbing rope with the most features in our collection. Its Dry treatment and Fusion construction make it durable and tough, which provides extra security when climbing over sharp rocks or ridges and helps to maintain its performance throughout its lifespan. It is destined to become one of the benchmark ropes for sport climbers who regularly do on-sight climbs and work on projects.

The small town of Rodellar lies in the heart of the Sierra de Guara, in the province of Huesca (Aragon). It is a world-class destination for canyoneers and sport climbers alike. The climbing style is generally athletic, with large overhangs and walls with the occasional waterfall conducive to on-sight climbing. Lines like "Coliseum" and "El Delfín" have made Rodellar a top spot for sport climbing.

Technology

- Diameter: 9.4 mm.
- Standardisation: simple.
- Dry treatment: Water-repellent treatment on the sheath. Provides resistance to oil, grease, and water. Extends the rope's lifespan.
- Endurance construction: It favors sliding and extends the rope's lifespan. Braided with 48 threads.
- Fusion: Prevents sheath slippage. The rope's performance is extended by the firm union of the sheath and the core.

Finishes:

- Middle Mark: indicates the halfway point on the rope with a black mark.
- 8 Mark: marking system that uses a red mark to indicate that there are 8 meters left to reach the end of the rope.
- Reflector: reflective indicator at both ends of the rope.
- Ultrasonic cut: stiffens the rope ends and protects them from wear.

Lengths available: 60, 70, 80, and 100 meters.

Colours available: Yellow.

Manufactured in: Sant Quirze de Besora (Barcelona – Pyrenees).

Technical information

N Falls 6 - Weight 60g/m - Impact force 7.6kN - Slippage 0mm - Dynamic Elong. 37% - Static Elong. 8% - Sheath 38%

Packaging info

Vegetal Base INK
27% Recycled material
100% Recyclable material
4% Synthetic (40% recycled)

Información técnica:

Brand:

Fixe

Country of origin:	Barcelona - Pyrenees (Spain)
Color:	Yellow
Material:	Polyamide
Format:	Bag
Middle Mark:	Yes
Treatment:	Dry
Impact Force:	7,6kN
Sheat Slipage:	0,0mm
Type of Sheat:	Endurance
Type of Rope:	Single
Configurator:	No
Fusion:	Yes
8m mark:	Yes
Reflector:	Yes
Ultrasonic finish:	Yes
Size long:	80m
Diameter:	9,4mm
